The image shows a number line activity. At the top, there are six lightning bolt shapes pointing right, each containing a number from 0 to 5. Below the number line are three rows of balloons. Each balloon is connected to the number line by a string. The balloons in the top row are already filled with objects corresponding to the numbers: 0 stars, 1 star, 2 stars, 3 stars, 4 stars, and 5 stars. The middle row has balloons with 1 dot, 2 dots, and an arrow pointing to the balloon for number 3. The bottom row has empty balloons for numbers 0, 1, and 2. Small icons of a crayon and a pencil are placed above the balloons for numbers 0, 1, and 2 respectively, indicating where to draw.
